

Chris Bowden

Part of the Mackinnon & Saunders team since 2008, Chris began his career at Cosgrove Hall Films. He has since produced over 300 episodes of children's animation along with numerous development projects and pilots. Whilst Chris is heavily involved in the nuts and bolts of planning, budgeting and managing productions, he also works as a script editor and writer producing scripts and development materials.

Chris is also a Director of Mackinnon & Saunders Digital Studios, producing and developing 2D animation projects for television and film.
